

This cabinet is shipped fully assembled.
No further assembly or installation is required.

All electrical connections are to be made by a qualified electrician in accordance with all national, state, and local electrical codes.

Provided Wire Path

This item includes a six outlet power strip with a 4' cord. The outlet strip is rated at 15 amps. The electrician is responsible for providing and mounting an outlet inside the cabinet for the power strip to plug into. The electrician is also responsible for cutting an appropriate entry point for getting power into the cabinet.
