The original **QSE** family of chairs has long been our company's best seller. The waterfall upholstery, molded-urethane arms, and American-Made hydraulic base all combine to provide years of trouble-free service. The 1850L QSE Shampoo Chair (648) has a lever-controlled back cushion and a newly-designed, easy-release kick-out leg-rest that has a locking support.

A premium chair series, and still available in Quick Ship, the **Vanelle SA** continues to be one of our most eye-catching and popular chair groupings. The signature V-Shape of the Vanelle SA is complemented by custom upholstery, real-wood armrests, and silver-powder-coated cast-aluminum arms. As with all Collins hydraulic chairs, the Vanelle SA chairs have American-Made hydraulic systems.

- 655 Futura Dryer Chair w/ Comfort Aire Dryer, #1825D
- 656 Futura Task Chair w/ casters & gas lift, #1845
- 657 Futura Electric Shampoo Chair, #50-60

The entire line-up of **Berra** and **Futura** chairs feature expert tailoring, comfortably padded cushions, durable urethane arms, and American-Made hydraulic systems ... a combination that's difficult to improve upon!

The **Futura Electric Shampoo Chair (657)** is one of the most advanced shampoo chairs available in the industry. It features a client-controlled low-voltage electric drive motor with a 5" vertical lift, integrated and cam-controlled back cushion, comfortable kick-out leg-rest, and a water shedding apron on the chair back. Designed for use with back-wash style shampoo bowls at 34" to 35" neck-height, the Futura comfortably accommodates salon customers who range from 5' to 6' in height. The low-voltage motor is safely powered by a remote transformer and 110 volt power supply.

- 664 Lanai Reception Chair w/ two cast aluminum legs, #1985
- 665 Lanai Task Chair w/ gas lift & casters, #1990

The popular **Kiva** grouping has simple and yet graceful lines, heavily padded cushions, and oval-shaped molded urethane arms that are a rugged one-piece construction. All of the Lanai chairs have an interesting and unique concave seat and back....and have proven themselves in today's salon marketplace. The open-style arms make the already oversized seat even more accommodating, and still provide the needed support and comfort. As with all Collins chairs, the hydraulic systems are American-Made.

The attractive **Lanai** waiting-area chairs (**662, 663, 664**) are a space-saving design that makes optimum use of expensive floor-space. All three models measure a petite 18"W x 24"D x 32"H and provide a nice place to park for a few minutes.

- 617 Monte Task Chair w/ casters & gas lift, #1540
- 618 Monte Lever-Control Shampoo Chair w/ Kickout Legrest, #1550L

While the **Massey** and **Monte** chairs are altogether different styles, both of these all-new chair groupings feature generously and comfortably padded cushions and durable urethane arms. These features, along with their American-Made hydraulic bases, combine for years of service and client comfort. The Monte grouping includes a beefy shampoo chair (618) on a platform base with a lever-controlled back cushion and an easy-release kick-out leg-rest that has a locking support. Massey & Monte ...real customer pleasers from Collins!

- 705 QSE Reception Station, #524-24

Everyone knows that it is vital to make a good first impression ... and Collins desks, retail displays, and waiting chairs ensure that your salon does exactly that.

All the desks have a locking cash drawer and cash till, plus the Beta (697) and Delta (699) desks feature an easy-access cabinet for the computer, a pull-out keyboard tray, room for a flat-panel monitor, and the needed wire grommets. The Alpha (696) and Gamma (698) have a pencil drawer and storage cabinet with an adjustable shelf. Optional cast aluminum legs can be specified when ordering items 696 to 701.

The graceful front on the QSE Deluxe Reception Desk (702) finds itself at home in many settings. It features a comfortable customer ledge and a locking cash drawer with cash till. It measures 48"W x 24"D x 42"H. For the salon that needs that centralized place for appointments and cash receipts, but doesn't need a full-time receptionist, or have room for a full-size desk, there is the QSE Reception Station (705) ... it has everything you need and still measures only 24"W x 16"D x 42"H.

The QSEp Retail Display (701) is finished on all sides, enabling it to be free-standing in the middle of the reception area or placed against a wall. It has adjustable shelves, lights, and base-cabinet storage ... plus, the base cabinet (700) can be ordered separately, if preferred. All QSE retail displays have adjustable glass shelves to accommodate the widest range of products.

The attractive Lanai waiting-area chairs (662, 663, 664) are a space-saving design that makes optimum use of expensive floor-space. All three models measure a petite 18"W x 24"D x 32"H and provide a nice place to park for a few minutes.

- 516-BB QSE Deluxe 40hi Portable Station

Portable Styling Stations continue to increase in popularity because of the flexibility they provide the individual stylist. Full-extension drawers, locking casters, and convenient tool holders are the norm at Collins, not the exception. The portables pictured here are the best-selling portable stations in the industry... and each is available in four popular colors.

The all-new Captiva Mirror Island (734) was designed to meet the needs of salon owners who prefer the benefits of portable work stations, but whose space requires or works best with styling islands. The sturdy Captiva Mirror Island provides a 30" x 48" mirror, ledge, and four-plex electrical outlet for each stylist.

The QSEp Portable Station (707) features four heavy-duty industrial-style casters, two full-extension drawers, a pull-out breadboard for that added work-space when needed, a fully-equipped tip-out tool panel w/ holders for blow dryer, two standard and one large curling iron holders, clipper pocket, and six-outlet power strip. It measures 18"W x 16"D x 37"H. The pictured mirror frame, ledge, and 30" x 48" mirror (715) is the perfect companion, ordered separately.

The best-selling QSE Deluxe 39Hi Portable Station (727) has two full-extension drawers, a large storage cabinet w/ adjustable shelf, blow dryer holder, three curling iron holders, clipper pocket, and a six-outlet power strip that is perfectly hidden behind a flip-down door. Premium locking casters, measures 24"W x 16"D x 39"H.

How do you improve the popular 39hi Portable Work Station? You add the perfect flat iron holder and efficient pull-out breadboard for that little-extra work surface when you need it. Add those two features & an inch to the height...and you have the perfect 40hi Portable (516-BB). Measures 24"W x 16"D x 40"H.

Many still prefer the original and economical QSE Portable Station (725) with a single full-extension drawer, cabinet storage, blow dryer holder, three curling iron holders, molded plastic bottle-well, and four premium casters. Quad electrical outlet with cord & plug is available optionally on this unit. 18"W x 16"D x 36"H.

- 723 QSE Wall-Mounted Styling Station, #506-36
- 724 QSE Deluxe Wall-Mounted Styling Station, #507-48

The QSEp Free-Standing Styling Island (708) is fully-equipped with a bread-board pull-out, two full-extension drawers, tip-out tool panel, and six-outlet power strip. Finished on all sides, the unit is 18"W x 16"D x 39"H and can be placed conveniently near the chair. It has holders for blow dryer, three curling irons, and clippers. Cast aluminum legs are an available option.

The (713) and (714) units have the same features, but are designed for installation against the wall, and include the respective 30" wide or 36" wide wall-mounted ledges. The wall-mounted station (710) also has the same features, less the bottom drawer.

A genuine favorite is the (716) 405-48 station with a bread-board pull-out, two full-extension drawers, tip-out tool panel, and six-outlet power strip ... and the 405-48 station includes the (715) 404-30 wall-mounted ledge, mirror frame, and mirror. The toe-kick base is standard, and cast aluminum legs are optional.

The QSE DELUXE wall-mounted styling station (724) has radius corners, two full-extension drawers, blow dryer holder, three curling iron holders, and measures 48"W x 15"D x 8"H. The original QSE wall-mounted styling station (723) has one wide full-extension drawer, blow dryer holder, and three curling iron holders. 36"W x 15"D x 7"H.

The QSEp Free-Standing Styling Island (708) is fully-equipped with a bread-board pull-out, two full-extension drawers, tip-out tool panel, and six-outlet power strip. Finished on all sides, the unit is 18"W x 16"D x 39"H and can be placed conveniently near the chair. It has holders for blow dryer, three curling irons, and clippers. Cast aluminum legs are an available option, and the pictured mirror frame, ledge, and 30" x 48" mirror (715) is the perfect companion and is ordered separately.

The Eiffel Tower Styling Station (717) includes all the premium features described above, as well as a 36" wide ledge and an upper storage cabinet with two doors & two adjustable shelves. The popular Hancock Tower (718) is the same, except that the upper cabinet doesn't have doors and the shelves are glass. Both stations measure 54"W x 16"D x 82"H and both units can be ordered with the optional cast aluminum legs. The pictured 36" x 48" mirrors are ordered separately.

The London Tower Styling Station (719) includes the same fully-equipped styling cabinet, a 36" wide wall-mounted ledge, and an upper retail display with two adjustable glass shelves ... it measures 54"W x 16"D x 78"H. The Sears Tower (720) is the same, but additionally includes a full-width soffit over the mirror & retail display ... for the real finishing touch! It measures 54"W x 16"D x 82"H. Both the London and Sears Towers can be ordered with the optional cast aluminum legs.

Still very popular, the original QSE Tower Station (722) includes a wall-mounted tapered ledge, an upper retail display with glass shelves, one full-extension drawer, storage cabinet, and holders for a blow dryer and three curling irons. The popular and efficient Deluxe 39hi Styling Station (726) has two full-extension drawers, a storage cabinet with adjustable shelf, and an angled tool panel with holders for a blow dryer, three curling iron holders, clippers, and a six-outlet power strip.

- 732 QSEp Thomas Styling Island for TWO stylists, #414-50
- 733 QSEp Vincent Styling Island for TWO stylists, #415-54
- 735 QSEp Captiva Styling Island for TWO stylists, #440-42

The Croix Styling Island (728) for two stylists: each stylist has a fully-equipped station with a pull-out breadboard, two full-extension drawers, a tip-out tool panel with a six-outlet power strip and holders for blow dryer, three curling irons, and clippers. Each stylist also has a 30" X48" mirror and ledge. Pictured with the optional cast aluminum legs, the Croix measures 66"W x 28"D x 82"H.

The Kitts (729) and Lucia (730) Styling Island are both for two stylists ... and each stylist has a fully-equipped station, mirror, and matching ledge. Each station features a pull-out breadboard, two full-extension drawers, a tip-out tool panel with a six-outlet power strip and holders for blow dryer, three curling irons, and clippers. The Kitts model has closed upper storage with adjustable shelves and doors ... and the Lucia model has open upper storage with glass shelves. Both models include the pictured soffit, both models can be ordered with the optional cast aluminum legs, and both models measure 36"W x 23"D x 82"H.

The Martin (731) and Thomas (732) Styling Island add to the options that are available to Collins customers. These islands have the exact same features as the Kitts and Lucia, but they are configured differently and measure 50"W x 32"D x 82"H. The Croix, Kitts, Lucia, Martin, Thomas ... you can choose according to your space requirements or according to your preferences. Collins offers more Quick Ship Equipment than any manufacturer in the industry.

A new addition, the Captiva (735) Styling Island, for two stylists, was designed for use with portable styling stations or utility carts. It meets the needs of salon owners who prefer the benefits of portable work stations, but whose space requires or works best with styling islands. Each stylist has a 30" x 48" mirror, a retail display with adjustable glass shelves, a quad electrical outlet, and holders for a blow dryer and two curling irons. It measures 42"W x 18"D x 82"H.

The new over-sized Collins CB23 Bowl (**691**) is an ACRYLIC shampoo bowl with fixtures, spray hose, and vacuum breaker. It is designed for traditional side-wash applications in conjunction with traditional shampoo chairs and hydraulic all-purpose chairs. The CB23 installs at 31" to 31 1/2" neck-height, measures 23"W x 20"D, and comes in black.

The over-sized Concept Bowl (**692**) is an ACRYLIC shampoo bowl with fixtures, spray hose, and vacuum breaker. It is designed for traditional side-wash applications in conjunction with traditional shampoo chairs and hydraulic all-purpose chairs. The CB24 installs at 31 1/2" to 35" heights, it is not recommended for use with spring-control shampoo chairs or hydraulic all-purpose chairs. The CB24 is 23 1/2"W x 22"D and comes in black.

The original 508-42 QSE Shampoo Bulkhead (**765**) remains our best selling shampoo cabinet. It includes the bulkhead for bowl mounting, a molded bottle well, soiled towel hamper, full-width backsplash, and overhead storage with heavy-duty sliding doors in an extruded aluminum track. Bowl is ordered separately. 42"W x 12"D x 71"H.

The Hi-Boy Shampoo Bulkhead (**757**) has a tilt-out soiled towel hamper and an over-sized upper towel cabinet with shelf and smoked plexiglass sliding doors. The universal bulkhead (**758**) includes two removable bottle-wells. Bowls are ordered separately. The Tower Shampoo Tower Assistant (**762**) has an upper storage cabinet w/ shelves, tilt-out clean towel storage, and a tilt-out soiled towel hamper.

The (**760**) shampoo unit, with built-in CB24 Concept Bowl, hides unsightly plumbing... and the Lo-Boy Shampoo Unit (**761**) is the same, but additionally includes tilt-out clean towel storage, tilt-out soiled towel hamper. In both cases, the neck of the installed CB24 bowl is 33 1/2" from floor. Two additional models (**762** and **764**) provide additional selection.

The popular EUROPEAN BACKWASH SYSTEM (**770**) features a water-shedding design, molded plastic bottle well, and a #3000 CULTURED MARBLE backwash shampoo bowl with fixtures and vacuum breaker. The FUTURA BACKWASH SYSTEM (**772**) includes Collins CB24 Concept Bowl, fixtures, vacuum breaker, and a similar water-shedding front. The neck-height is 35" from the floor on both, both are 32"W x 16"D, and both can be ordered as a single free-standing unit ... or multiples that can be installed end-to-end with accenting reveals.

QSE DUAL-PURPOSE Shampoo Station w/ CB24 Concept Bowl (**771**). Finished on all sides w/ tilt-out door on side for plumbing access & soiled towels. Can be installed free-standing or against the wall. Neck of bowl is 35" from floor.

The 432-48 QSEp Color Bar (**764A**) w/ stainless-steel measures 48"W x 21"D x 82"H.

- 744 QSE Barber Station with Bowl, #501-66
- 745 QSE Deluxe 39hi Barber Station, #511-66
- 746 QSE Deluxe 39hi Wet Booth Unit, #515-48

Both COMMANDER Barber Chairs (676 and 677) feature the Collins cast-aluminum logo footrest, mahogany finished solid maple arms and footrest support, custom quilted upholstery, adjustable-removable headrest, and an oversized heavy-duty American-Made hydraulic base with 26" diameter chrome baseplate. Both Commander chairs have a gas-cylinder-controlled reclining back with BALL BEARINGS for smooth operation, durability, and longevity. If you don't need or want the footrest to kick-out in concert with the reclining back, then order the #9050 Commander I Barber Chair (676). For shaves, or if just preferred, you can order the #9060 Commander II chair (677) with a footrest that kicks out in-sync with the chair's reclining back ... and the footrest also has BALL BEARINGS for smooth operation and longevity. Available with Wallaby Black upholstery and Mahogany finished wood.

The CONTINENTAL Barber Chairs (674 & 675) are oversized chairs with heavily padded cushions, cast-aluminum logo footrest, gas cylinder controlled reclining back, headrest, and the same heavy-duty base as the Commander. Both are available in Wallaby Black ... 674 has Shaker Cherry laminated arm treatments and 675 has padded upholstered arm treatment.

The QSEp Barber Wet Booth Unit (742) has a bread-board pull-out, two drawers, and tilt-out tool panel on the right; tilt-out clean towel storage and tilt-out soiled towel hamper on the left; and a 36" wide bulkhead in the center with a bottle well and a lift-lid that covers the well. The pictured bowl (693) and 36" x 60" mirror are ordered separately. 72"W x 16"D x 82"H.

The #501-66 QSE Barber Station w/ Bowl (744) is a new addition to the QSE offering. In the barbering tradition, this station has a full-extension drawer and storage cabinet on both sides of the built-in shampoo bowl. Station includes blow dryer holder, two clipper pockets, quad electric on the right side, and it includes the MP #10 Fiberglass Bowl w/ fixtures, spray hose, and vacuum breaker. Unit measures 66"W x 15"D x 39"H. The pictured 36" x 66" mirror is ordered separately.

The #511-66 QSE Deluxe 39hi Barber Station (745) has four full-extension drawers, angled tool panel, left & right cabinet storage, shampoo bottle well behind bowl, short lift-lid over bottle well. Tool panel has holders for blow dryer, two curling irons, two clippers, plus a six-outlet power strip. 66"W x 16"D x 39"H. Order bowl and 36" x 60" mirror separately.

- 743 Original QSE Wet Booth Unit, #500-42
- 746 QSE Deluxe 39hi Wet Booth Unit, #515-48

Like all (737-741) of the 400 series Wet-Booth Units, the Erie unit (737) has a bread-board pull-out, two drawers, a six-outlet power strip, and fully-equipped tilt-out tool panel with holders for blow dryer, three curling irons, and clippers. Each unit, including the Erie, also has a shampoo bowl bulkhead with a concealed bottle-well and a lift-lid over bowl. The Erie measures 42"W x 16"D x 39"H. The Huron (738) and Michigan (739) Wet Booth Units have all the same features, plus tilt-down clean towel storage and a tilt-down soiled towel hamper, and both units measure 60"W x 16"D x 39"H. The Ontario (740) and Superior (741) Wet Booth Units build on the strength and features of the Huron and Michigan units, but also include an upper storage cabinet with two doors and two adjustable shelves ... they measure 60"W x 16"D x 82"H. Pictured bowls and mirrors are ordered separately.

693

691

The QSE Deluxe 39hi Wet Booth Unit (746) remains a best seller because of its efficient design. It includes the bulkhead w/ bottle well and lift-lid, two full-extension drawers, cabinet storage w/ shelf, and an angled tool panel with holders for blow dryer, three curling irons, and clippers. It includes a six-outlet power strip, accessed via a flip-down door on the side, and measures 48"W x 16"D x 39"H. The original QSE Wet Booth Unit (743) still finds many customers because it's compact and economical. It has one drawer, one storage cabinet, shampoo bowl bulkhead w/ bottle well and lift-lid, and holders for your blow dryer and three curling irons. 42"W x 16"D x 36"H. Bowls and mirrors are ordered separately.

678

746

741

The COMFORT AIRE Professional Hair Dryer w/ smoked hood (686 & 687) is available with black or white metal cabinets. Specs are: 110 volts, 920 watts, 9.7 amps, and blows 375 cubic feet of conditioned air per minute. Hood measures 12" diameter inside. Cabinet is 12 1/4"W x 6 1/2"D x 23 3/4"H. The high performance HOT SPOT Dryer (689) has the same hood and cabinet, and the following specs: 110 volts, 1150 watts, 12 amps, and blows 500 cubic feet of conditioned air per minute. The dryer cart w/ wheels (690) is ordered separately and works with Comfort Aire and Hot Spot dryers.

The new over-sized Collins CB23 Bowl (691) is an ACRYLIC shampoo bowl with fixtures, spray hose, and vacuum breaker. It is designed for traditional side-wash applications in conjunction with traditional shampoo chairs and hydraulic all-purpose chairs. The CB23 installs at 31" to 31 1/2" neck-height, measures 23"W x 20"D, and comes in black.

- 754 QSEp R-3 Pedicure System w/ bench seat & cabinet, #438-48
- 755 QSE Petite Nail Table w/ one drawer, padded upholstered rest, and adjustable lamp, #517-32
- 756 QSE Deluxe Nail Table w/ two drawers, two storage cabinets, padded upholstered rest, and adjustable lamp, #517-60

Patented by Collins, the Chable (747) is a multi-purpose task chair that doubles as a manicure stool, nail table, receptionist's stool, portable chemical application chair, and portable desk. It was developed for the salon that needs to conserve expensive floor space and gain maximum flexibility in usage. It measures 21" wide and 30" front-to-back with the table-top up, and just 20" with it down. The QSE Pedi-Stool (748) has a comfortable seat cushion, correctly-angled cushioned back, four casters, and two full-extension drawers for easy access to tools and supplies.

The (750) nail table is 48" wide with three drawers and a strong 4" wide leg. The (751) nail table is 56" wide and also has three drawers, plus a storage cabinet with adjustable shelf in place of the leg. Both feature a 26" wide chair-well, padded upholstered rest, and adjustable lamp. Cast aluminum legs are optional, and the 14" x 8 1/2" x 8 1/2" polish display (749) is ordered separately.

The Petite Nail Table (755) is a space saving 32"W x 18"D x 30"H and has one large drawer. The 60"W x 20"D x 30"H Deluxe Nail Table (756) has two drawers and two storage cabinets with adjustable shelves. Both tables have locking casters, a padded upholstered rest, and an adjustable lamp.

The improved line-up of QSE Pedicure Systems includes three different models to meet different needs and preferences. All three models (752)(753)(754) have a user-friendly whirlpool tub unit that includes four whirlpool jets, on-off controls, air-mixture control, built-in vacuum breaker, spray-hose, and a quiet electric-pump. Plus, all three models include the patented FILL-FLUSH CLEANING SYSTEM that makes it easy to assure your customers (and yourself) that your pedicure system is safe and sanitary. The inside dimensions of the radius-front whirlpool tub are 18" x 17" x 12" deep. All three units are easily installed and comply with local plumbing codes, including those of California and Wisconsin.

The R-1 model (752) features a comfortable Lanai client chair which swivels for easier entry & exit; overall measurements are 42"W x 51"D. The R-2 model (753) features a comfortable bench-style seat and the R-3 (754) is the same with a convenient storage cabinet. Both R-2 and R-3 models can be ordered with the optional lumbar heat and three-zone massage system, and both measure 48"W x 51"D.

- 3654-RT** Rectangular Signature Mat
- 1701** Hair Trap, for shampoo bowls

The SIMULATOR (679) attaches to the chair like a headrest and enables a student to work on mannequin heads in exactly the same position and attitude as real customers. The Simulator is a MUST for schools ... students quickly learn to use the mirror and chair together in relation to the client.

Collins hydraulic bases are foot-treadle operated, have a brake, and 7 1/2" vertical lift. The Slim-Star base (683) has a 3 1/2" diameter cylinder and a five-leg die-cast aluminum base, the Standard base (681) has a 4 1/2" cylinder and 24" diameter baseplate, and the Heavy-Duty base (682) has a 5 1/2" cylinder and 26" diameter baseplate. All Collins hydraulic bases are MADE in the USA.

The new PDG-CMC Utility Cart (685) carries the industry's best warranty and establishes a new standard of excellence in carts. Molded from durable ABS plastic and measuring 15"W x 17"D x 36"H, these carts have a locking tambour door that really works, steel-reinforced industrial-strength locking casters, three snap-fit utility trays, and two double-deep tray drawers. They are stocked in black ... plus they can be optionally customized with laminate accents in any standard Collins laminate. The PDG-CMC Chable-Mate (684) measures 15"W x 17"D x 29"H. The (4201) PDG Nail Polish Display, molded from durable ABS plastic, holds up to 32 bottles of nail polish.

The easy-to-install and easy-to-use (1701) Hair Trap captures the hair that gets down the drain ... and reduces the pain and expense of calling a plumber.

The Collins SIGNATURE mats are engineered and manufactured with only one thing in mind ... the needs of today's hair professionals. These specially-made polyurethane mats are a cushioned three-fourths of an inch thick and provide much needed relief from the stress and strain of being on-your-feet all day. The Signature mat reduces fatigue and the risk of fatigue-related errors, promotes better posture, and can also serve as a preventive therapy against future discomfort and pain.

The Collins professional-grade SIGNATURE mat is lightweight and made of specially-formulated urethanes and elastomers that provide optimum impact absorption and extraordinary surface resilience. It is durable, non-scutting, easy to clean and maintain. Choose the 36" x 54" Half-Round Mat (3654-HR) or the 36" x 54" Rectangular Mat (3654-RT), both available in black.

The Signature mat is guaranteed against defects in material and workmanship for one year, and carries a five-year limited warranty against separation and wear-thru of the resilient top surface. Only the SIGNATURE mat provides sufficient quality, value, and warranty to merit having the Collins signature molded into the surface of the mat.

INFORMATION, TERMS, & CONDITIONS

INQUIRIES & CUSTOMER ORDERS

INQUIRIES ARE BEST ANSWERED BY AN AUTHORIZED COLLINS DISTRIBUTOR, BUT COLLINS CUSTOMER SERVICE REPRESENTATIVES ALSO STAND READY TO ANSWER QUESTIONS AND PROVIDE ADDITIONAL INFORMATION AS NEEDED. CALL 800-292-6450 TOLL-FREE. ORDERS, HOWEVER, MAY ONLY BE PLACED BY AN AUTHORIZED COLLINS DISTRIBUTOR. ALL PERTINENT INFORMATION SUCH AS ITEM NUMBERS, DESCRIPTIONS, QUANTITIES, FABRIC SELECTIONS, LAMINATE SELECTIONS, OPTIONAL FEATURES, SHIPPING INSTRUCTIONS, ADDRESSES, PHONE NUMBERS, AND E-MAIL ADDRESSES SHOULD BE KNOWN AND SPECIFIED AT THE TIME OF ORDER PLACEMENT.

ORDER ACKNOWLEDGMENTS

ORDER ACKNOWLEDGMENTS ARE MAILED, FAXED, AND/OR E-MAILED TO THE DISTRIBUTOR PLACING THE ORDER. IT IS THE RESPONSIBILITY OF THE DISTRIBUTOR TO REVIEW THE ORDER ACKNOWLEDGMENT TO INSURE ACCURACY REGARDING ITEM NUMBERS, DESCRIPTIONS, QUANTITIES, COLORS, ETC. THE ORDER ACKNOWLEDGMENT WILL INDICATE THE PLANNED OR SCHEDULED SHIPPING DATE. WHILE COLLINS MAKES EVERY EFFORT TO MAINTAIN THE PLANNED SHIPPING DATE, THE DATE IS NOT GUARANTEED, AND THE COMPANY ASSUMES NO LIABILITY FOR ANY DAMAGES SHOULD AN ORDER BE LATE.

ORDER CHANGES & CANCELLATIONS

COLLINS MANUFACTURES ALL QSE SALON EQUIPMENT AFTER RECEIPT OF THE CUSTOMER ORDER, AND ORDERS THAT ARE CANCELLED OR MATERIALLY CHANGED WITHIN FIVE WORKING-DAYS OF THE ACKNOWLEDGED SHIP-DATE ARE SUBJECT TO A PENALTY DETERMINED BY THE COSTS INCURRED AND THE MANUFACTURING RESOURCES COMMITTED. ORDERS FOR EQUIPMENT WITH CUSTOMER-REQUESTED MODIFICATIONS OR SPECIAL-ORDER, NON-STOCK COLORS CANNOT BE MATERIALLY CHANGED OR CANCELLED WITHIN TEN WORKING-DAYS OF THE ACKNOWLEDGED SHIP-DATE WITHOUT A SUBSTANTIAL PENALTY.

TERMS OF SALE

WHILE PRICES ARE SUBJECT TO CHANGE FROM TIME TO TIME, THE UNIT PRICES BILLED TO THE DISTRIBUTOR WILL BE THOSE THAT WERE IN EFFECT AT THE TIME THE ORDER WAS PLACED. PAYMENT TERMS ARE CLEARLY SPECIFIED ON THE SALES ORDER AND SUBSEQUENT INVOICE, AND PAYMENT WITHIN THE TERMS IS REQUIRED. ALL PRICES ARE F.O.B. THE FACTORY AND ALL SALES ARE FINAL.

COLOR SELECTIONS

ALL COLLINS QUICK SALON EQUIPMENT (QSE) SEATING IS MANUFACTURED IN WALLABY BLACK, CHOCOLATE, CHARCOAL AND CAMEL UPHOLSTERY UNLESS STATED OTHERWISE. ALL COLLINS QSE CABINETRY IS MANUFACTURED IN SHAKER CHERRY, LIMBER MAPLE, CAFELLE, BRIGHTON WALNUT, WILD CHERRY, FUSION MAPLE, GRAPHITE NEBULA AND MATTE BLACK LAMINATES UNLESS SPECIFIED OTHERWISE. DOZENS OF CUSTOM COLORS ARE ALSO AVAILABLE BY SPECIAL ORDER, COSTING AN ADDITIONAL 10% AND TAKING THREE OR FOUR WEEKS LONGER.

SHIPPING & HANDLING

ALL COLLINS QSE SALON EQUIPMENT IS CAREFULLY AND PROPERLY PACKAGED FOR SAFE SHIPMENT DIRECTLY TO YOUR SALON OR TO YOUR DISTRIBUTOR OF SALON SUPPLIES AND EQUIPMENT. SOME ORDERS ARE SHIPPED VIA UPS OR PRIVATE CARRIER, BUT MOST ORDERS ARE SHIPPED VIA COMMON CARRIER TRUCK-LINE, F.O.B. OUR FACTORIES. WHILE FREIGHT DAMAGE IS NOT A FREQUENT OCCURRENCE BECAUSE OF OUR PACKAGING PRACTICES, NO SHIPMENT IS IMMUNE TO THE RISK OF LOSS OR DAMAGE. IT IS THE SOLE RESPONSIBILITY OF THE CONSIGNEE TO INSPECT THE SHIPMENT FOR DAMAGE UPON RECEIPT AND APPROPRIATELY NOTE ANY DAMAGE ON THE DELIVERING CARRIER'S BILL-OF-LADING. FREIGHT CARRIERS HAVE VERY LIMITED RESPONSIBILITY FOR DAMAGE THAT IS NOT NOTED ON THE BILL-OF-LADING, AND FAILURE TO DO THIS ADVERSELY AFFECTS ANY SUBSEQUENT CLAIM THE CONSIGNEE MAY HAVE.

INSTALLATION

QSE SALON EQUIPMENT IS MANUFACTURED IN THE USA BY COLLINS MANUFACTURING COMPANY AND IT IS DESIGNED FOR EASY, ON-SITE INSTALLATION IN YOUR SALON. ASSEMBLY INSTRUCTIONS AND THE TYPICALLY-NEEDED FASTENERS ARE INCLUDED WITH EACH SHIPMENT. THE COMPANY RECOMMENDS THAT ALL PLUMBING AND ELECTRICAL WORK BE DONE BY REPUTABLE AND LICENSED PROFESSIONALS WHO ARE FAMILIAR WITH THE LOCAL BUILDING CODES.

PRODUCT WARRANTIES

COLLINS SALON EQUIPMENT IS CAREFULLY MANUFACTURED, INSPECTED, AND GUARANTEED AGAINST DEFECTS IN MATERIAL OR WORKMANSHIP AS FOLLOWS: 7 1/2 YEARS - HYDRAULIC PUMPS ARE GUARANTEED FOR SEVEN AND ONE HALF YEARS FROM THE DATE OF PURCHASE. 5 YEARS - RECLINING MECHANISMS, DRYER MOTORS, AND DRYER HOODS ARE GUARANTEED FOR FIVE YEARS FROM THE DATE OF PURCHASE. 1 YEAR - ALL REMAINING COMPONENTS, UNLESS SPECIFIED OTHERWISE, ARE GUARANTEED FOR A PERIOD OF ONE YEAR FROM THE DATE OF PURCHASE. THIS GUARANTEE APPLIES ONLY TO THE ORIGINAL PURCHASER AND DOES NOT APPLY TO DAMAGE CAUSED BY WATER OR FIRE, DISCOLORATION, FADING, OR STAINING OF FABRICS OR LAMINATES, OR WHERE THERE IS EVIDENCE OF

CUSTOMER RETURNS

COLLINS WARRANTS THE SALON EQUIPMENT AGAINST DEFECTS, PACKAGES IT FOR SAFE SHIPMENT, AND MAKES EVERY EFFORT TO ASSURE EACH CUSTOMER'S SATISFACTION. IN SOME CIRCUMSTANCES, THE COMPANY MAY ELECT OR REQUIRE THAT A PRODUCT BE RETURNED TO THE FACTORY. IN THOSE CASES, A RETURN AUTHORIZATION NUMBER WILL BE ISSUED AND IT MUST BE CLEARLY REFERENCED AND MARKED ON THE RETURNED ITEM. UNAUTHORIZED CUSTOMER RETURNS WILL BE REFUSED ON DELIVERY AND RETURNED TO THE SHIPPER.
