

### NP104-48, NP104-30, NP119 NEPTUNE DESK INSTRUCTIONS

#### IMPORTANT NOTES:

Read through the instructions before you begin work. Cabinetry is heavy. Lift, move and handle carefully.

Any conformance with LOCAL CODES or INSPECTIONS is the RESPONSIBILITY OF THE PURCHASER.

1. Remove the Desk Modules from the carton. CAUTION! Open the carton bands carefully.
2. Set the Desk Modules in their final location. Note: Desks are modular - they can be arranged in different configurations. Refer to your floor plan.
3. To join the Modules together, drill 3/16" diameter clearance holes in the end panels. Note: Drill ONLY the panels that will be fastened against another Module.

4. Carefully align the first two Modules to be joined. You may need to place shims under the Modules, or use cabinet clamps to hold the Modules in alignment to fasten.
5. If one of your Modules is equipped with a Cash Drawer or Cash Drawer and Storage Cabinet, remove the drawer and open the cabinet doors to access the inside of face of the side panel.
6. Fasten the other Modules together with 1 1/4" long screws provided.
