<b>Features</b>	Features Belvedere 8600 pivoting cast iron porcelain enamel bowl for maximum client support. Bowl includes 522 fixture, whiz spray, strainer assembly and 603 back flow preventer. Designed ideally for through the floor plumbing. Easy to access bowl with open bottom metal bowl mount. Seat is easily removable for plumbing access. Unit bolts to floor. Fully padded upholstered chair with 4" wide arms for client comfort. Contact Belvedere for cabinet chase options.	The Plush Ottoman makes the perfect accompaniment to the backwash for ultimate comfort. The ottoman meets the same height as the seat of backwash and slopes down to a 14" height. The 4" of cushion creates a firm yet comfortable position for your clients legs. The ottoman weighs 15 lbs which makes it easy for a technician to pick up or move. The ottoman also features plastic non skid padded feet to avoid scuffing floors.
