comes our model 4000 shampoo bowl. This
backwash style bowl has the depth for extra
long hair, unequalled comfort for both

customer and operator, European styling,
and practical American application.
The 4000 is available in marble and granite
with a palette of 24 colors.

It's just what the professional has come to expect from Marble Products

A Complete Selection of Bowl Mo

MARBLE PRODUCTS manmade marble and fiberglass shampoo bowls are engineered to meet the exacting needs of the professional, with a new dimension in durability and elegance.

More than 30 years ago, **MARBLE PRODUCTS**, introduced the original manmade marble shampoo bowls, and shortly thereafter, the first fiberglass bowls. Both have earned national acclaim for their superior quality, styling and durability.

OFTEN COPIED — NEVER EQUALED.

MODEL 2000 — MARBLE BOWL ▲

Years ahead in both style and beauty. The 2000 bowl has 108 cubic inches *more* working area than any bowl made. It was designed to make shampooing a pleasure for both the customer and operator. In fact, it is America's best selling premium quality bowl.

Shown with No. 500 Dial-Flo single control fixture, extra long Sof-Flo II shampoo spray. 3½" polished stainless steel strainer with unbreakable, non-tarnish fine screen strainer basket.

23" x 20¼" x 11" deep

Shown in: No. 140 Flame Red

◀ MODEL 2001 — PEDESTAL/BOWL

A combination of the 2000 bowl with matching pedestal offering convenience, beauty and prestige, for the modern style conscious salon. Shown with No. 500 Dial-Flo single control fixture with extra length Sof-Flo II shampoo spray. Bowl dimensions same as Model 2000.

Overall height: 34¾"

Shown in: No. 318 Mist Gray

MODEL 100 ▶ MARBLE BOWL

Highly popular for its all around efficiency and comfort.

Shown with No. 500 Dial-Flo single control fixture with Sof-Flo II shampoo spray.

19" x 20" x 9½" deep

Shown in: No. 301 Nutmeg

MODEL 300 — PEDESTAL/BOWL ▶

The 200 bowl with matching traditional pedestal, offers both convenience and nostalgic beauty. Certain to be an investment that can only appreciate with time. Shown with No. 500 Dial-Flo single control fixture and No. 400 manual control diverter spout, with extra length Sof-Flo II shampoo spray and optional No. 1729 vacuum breaker. Bowl dimensions same as Model 200.

Overall height: 33¾"

Shown in: No. 320 Port

MODEL 200 — MARBLE BOWL ▲

A proven favorite with its attractive styling. Extra wide work area and exclusive M.P.C. comfort plus neck rest design. Shown with No. 500 Dial-Flo single control fixture and No. 400 Manual control diverter spout. Optional No. 1729 vacuum breaker and Sof-Flo II extra length shampoo spray.

22½" x 18½" x 9" deep

Bowls and Colors for Every Need!

U.S. Patent Number: Des. 315,197

New Backwash Style Bowl

MODEL 3000-W—(MARBLE) ▶ (For Wall Mounting Only)

Absolutely the most comfortable shampoo bowl made. Features European style shampoo approach without the disadvantages of difficult plumbing and customer discomfort of most European bowls.

Important: Use with adjustable back shampoo chairs only. (Not spring loaded.) Follow instructions for neck height carefully. (Not for use with wet styling units.)

Shown with No. 500 Dial-Flo single control fixture with extra length Sof-Flo II shampoo spray, 3/8" polished stainless steel strainer with unbreakable non-tarnish fine screen strainer basket.

18" x 23" x 9" deep Shown in: No. 506 Black

The Original Fiberglass Shampoo Bowls by Marble Products

Where quality is imperative — When economy is essential

America's fastest growing shampoo bowl, developed by Marble Products almost 20 years ago, has earned a reputation for superior quality, equaled by few products in our time. Made with the same diamond hard gel coated finish as our marble bowls, and genuine fiberglass reinforcement.
