

OREGON

SHAMPOO UNIT
SH-510

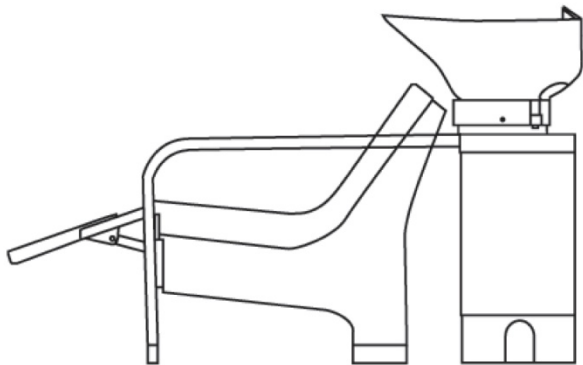

**TAKARA
BELMONT**

TODAY. TOMORROW. ALWAYS.

OREGON

The Oregon adds a unique lounge-style comfort and sleek look to the shampoo chair. The removable full length cushion adds extra padding to the chair, and allows for easy clean up and unique color combinations. The adjustable tilting basin provides ultimate comfort for the client's head and neck, and the extendable leg rest allows them to put their feet up and relax while they enjoy their shampoo.

The open back of the wash unit has a stainless steel shelf which provides extra storage for towels and hair care products, saving you space in the shampoo area of the salon.

SH-510
